

2228 Pine Glen Road

Designer decor throughout this upscale spacious National built home. With 2683 square feet, 4 beds and 4 baths there is more than enough room for the growing family here. The location could not get any better with a school and park directly across the street! The main floor features gorgeous charcoal coloured hardwood floors, custom wood california shutters, pot lights, 9ft ceilings, formal living/dining room, main floor family room and den. Gourmet Kitchen features Kitchen Aid stainless steel appliances, pebble stone backsplash, upgraded cabinets, granite counters and breakfast bar! The spacious Breakfast area has a walkout to the patio and overlooks the 2 storey Family Room with a beautiful contemporary gas fireplace and natural wood mantle. Upstairs features the spacious Master with ensuite, his and hers closets and 3 other bedrooms with ensuite privileges. Extra bonuses include gorge... contact agent for more info...
